HAIL TO THE KNIGHTS

They Are Coming, Father Abraham, Five Hundred Strong or More—A Cordial Welcome Awaits the Arrival of the Visiting Knights

The institution of a Knights of Columbus Council in this city tomorrow will be an event of the year. Every detail connected with the celebration will be marked by a completeness and an elaboration that will make the occasion a memorable one.

All matters pertaining to and connected with the institution and initiation, being deeply imbued with a religious and patriotic spirit, is a sufficient justification of their observance on the Sabbath.

Delegations from every city of importance in the State of Kentucky, whilst West Virginia and Ohio will send their quota of representatives.

The services will begin with a Mass in the ancient edifice, St. Patrick's Church, Limestone street, followed by a short address to the Knights by the Rev. Pastor, Father Jones. To enable the visiting Knights to attend this

Mass, it will not begin before 11 o'clock. The incoming Knights will be met at the Depot by the Reception Committees and escorted to the Church to attend this service.

After the religious service dinner will be served to the visiting and local Knights at the Princess Skating Rink, the hotel accommodations of this city being insufficient for the simultaneous sitting of all the Knights, who will number between 400 and 600.

The initiatory services will be held at the Washington Opera-house, commencing at 1:30 p. m., where three Degrees of the Order will be conferred on the local Knights and such other qualified, properly-accredited candidates who may present themselves. The giving of the Degrees will consume about seven hours. The First Degree will be conferred by the Newport Council. The Second Degree will be conferred by the Covington Council. The Third Degree will be conferred by James Rogers and Staff of Louisville.

Maysville has about 57 candidates for Degrees, whilst the neighboring cities will, to some extent, augment the number. Among the candidates of the local Council are to be found men in every walk of life, except men engaged in the manufacture or sale of intoxicating liquors or in anywise connected with the manufacture or sale thereof. Doctors, lawyers, bankers, tradesmen, merchants and three Clergymen are among the local candidates.

The following are the candidates for initiation:

THE INTELLIGENT USE OF

Newbro's Herpicide

RARELY FAILS TO PRODUCE THE MOST GRATIFYING RESULTS.

Miss Della Knight

The prominent American actress, whose photograph is shown above, writes as follows:

"I have found nothing to equal Newbro's Herpicide. It keeps the hair from falling and frees the scalp of dandruff. An occasional application leaves the hair delightfully fluffy." (Signed) DELLA KNIGHT.

READ THIS LETTER.

"Enclosed please find coupons for soap and comb, with order for 88 cents, for which please send the above articles.

"I have used Newbro's Herpicide for two years and think an article so meritorious should be well advertised and widely used, for it is a boon to all womankind. I am giving you my experience, and if you think it likely to be of interest you are welcome to use it as you think best, for I have derived such great benefit from Herpicide that I would like others to know of it.

"When I began its use two years ago my hair was only two inches long and very thin, the result of four years' residence in India, the intense heat of the climate having ruined my

hair. I tried everything in Europe and in America without benefit until I tried Herpicide. I am delighted with its effect, and my friends never tire of admiring my hair. It is long, soft and as silky as a baby's hair, not a gray hair to be seen, and my hair was quite gray before I used your incomparable remedy. I do not think the praises of Herpicide can be sung too loudly or too long. Several of my friends are using Herpicide on the strength of my recommendation."

Richmond, Va. (Signed) MRS. S. A. LEE.

NOTE—Herpicide will not darken gray hair, and we do not want anyone to spend money for Herpicide in the belief that it will. Herpicide will stop falling hair, but if the hair that falls is gray, the new growth will also be gray. In this particular the above case is remarkable.

Send 10 cents in stamps to THE HERPICIDE COMPANY, Dept. L, Detroit, Mich., for sample and booklet. One dollar bottles guaranteed. At Druggists. When you call for Herpicide do not accept a substitute. Applications at prominent Barber Shops.

Fell From Scaffold and Injured His Back

Thirty years ago James C. Lee of 1199 Ninth street, S. E., Washington, D. C., fell from a scaffold and seriously injured his back. In telling about it he says:—"My suffering was terrible; from the small of my back all around my stomach was just as if I had been beaten with a club. I tried all kinds of plasters, belladonna, caprine and porous, without getting relief, and bought so-called electric belts, but none of them did me any good."

"One day, while working near my daughter's house, my back pained me so badly that I had to quit. I went into the house and laid down for ease. My daughter had a bottle of Sloan's Liniment in the house and she rubbed my back with it and gave me some to take home. I used six and a half bottles of Sloan's 25c Liniment and can do as much work as any man in the shop, although I am sixty-seven years old. I would not be without Sloan's Liniment for any consideration and recommend it to any one suffering pain."

At Carlisle, Dr. G. W. Grimes was fined \$100 and given fifteen days in Jail for having liquor in his possession for the purpose of selling it. He appealed the case to the Nicholas Circuit Court.

RICH FIND

New Owner of Ross Farm in Garrard County Unearths \$27,000

H. S. Hensley and Albert Pawley, while wrecking the old residence of the late Nathan Ross on a farm now owned by Hensley in Garrard county, near Paint Lick, found \$22,500 in United States coin, between \$2,000 and \$5,000 worth of diamonds, a large revolver and much Confederate money beneath a large hearth-stone in what was the sitting-room of the Ross family. The old house had not been occupied for years. The rich find was securely wrapped in a large tin box. Hensley, a native of Harlan county, recently purchased the magnificent Bluegrass farm formerly owned by Nathan Ross, who, during his time, was considered one of the wealthiest men in Kentucky. The treasures are thought to have been placed beneath the hearth during the Civil War when Kentucky was under the terror of the Gaerrilla bands.

Remarkable Story

The story of Mrs. Matilda Warwick, of Kokomo, Ind., as told below, proves the curative properties of that well-known female remedy, Wine of Cardui. Mrs. Warwick says:

TAKE CARDUI

It Will Help You

"I suffered from pains in my head, shoulders, limbs, side, stomach low down, dizziness, chills, nervousness, fainting spells and other female troubles. I was almost dead. Three doctors did not help me. At last, I took Cardui, and with the first bottle obtained relief. Now I am cured. But for Cardui, I would have been dead." Try Cardui.

Laxative for Women Free

There is a great difference in the purposes to which a laxative should be put. Tablets and pills, salts, etc., are usually violent purgatives or cathartics, and altogether too powerful for the average person.

A woman at all times needs only a mild laxative—in fact, none other is needed by anyone, weak or strong though they may be, for the object is simply to move the bowels, and if a gentle laxative will do it, what is the use of a violent one?

Dr. Caldwell's Syrup Pepsin has earned a well-deserved vogue among women and children and old folks—people who must necessarily be careful of what they take.

It is a liquid laxative tonic and admittedly the greatest stomach, liver and bowel remedy before the American people. The price is only 50 cents or \$1 a bottle, as it comes in both sizes, and all druggists sell it. Its pleasant taste and gentle action make it an ideal remedy for women in constipation, torpid liver, sour stomach, sick headache, heartburn and such like digestive complaints. Its use for a short time will remove the trouble entirely so that future medication will be unnecessary. Its tonic properties build up the stomach and intestinal muscles so that they act naturally again. That this is so is the experience of many heads of families, like Mrs. Brannan, of Alvarado, Va.; Mrs. K. L. Stout, of Louisville, Ky.; and numerous others; in fact, way out in Williams, Cal., as Mrs. J. E. Blackmore, of that place, writes, the whole town seems to be using it.

If the remedy is new to you and you want to make a trial of it before buying, send your name to the doctor's address as below and a free test bottle will be sent you. Then, if results are satisfactory you can buy it of your druggist.

If there is anything about your ailment that you don't understand, or if you want any medical advice, write to the doctor, and he will answer you fully. There is no charge for this service. The address is Dr. W. B. Caldwell, 507 Caldwell bldg., Monticello, Ill.

Anyone should tell you that it requires an unusual amount of intelligence to select suitable wearing apparel with the present-day methods at one's disposal agree with them, for they tell the truth, but do not fail to mention that intelligence, and that of the highest type, is most essential in selecting the house that not only sells first-class clothing, but that displays the correct styles.

Once you have decided in our favor, a further display of intelligence is unnecessary; in fact, you would be perfectly safe in selecting the style blindfolded, merely repeating the words, "My mother told me to take this one."

JUDGE FOR YOURSELF

Which is Better—Try an Experiment or Profit by a Maysville Citizen's Experience.

Something new is an experiment. Must be proved to be as represented. The statement of a manufacturer is not convincing proof of merit.

But the endorsement of friends is. Now supposing you had a bad back. A lame, weak or aching one. Would you experiment on it? You will read of many so-called cures. Endorsed by strangers from far-away places. It's different when the endorsement comes from home.

Easy to prove local testimony. Home endorsement is the proof that backs every box of Doan's Kidney Pills.

Read this case: J. M. Lloyd, farmer, R. F. D. No. 5, Maysville, Ky., says:

"I am only too pleased to tell of my experience with Doan's Kidney Pills and hope that it will be the means of helping some other sufferers from kidney trouble in finding relief. About five years ago my kidneys suddenly became disordered and for several months I was bothered by constant, dull pains across my loins. When I stooped or lifted, sharp twinges shot through my body and caused the most intense suffering. I at length heard of Doan's Kidney Pills, procured a box at J. J. Wood & Son's Drugstore and began using them. They effected a complete cure, and since then I have not had backache or any other symptom of kidney trouble."

For sale by all dealers. Price 50 cents, Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's—and take no other.
